

FREE EDUCATIONAL WORKSHOP

ARE YOU FINANCIALLY PREPARED FOR A LONGER LIFE?

Give your members practical education about one of the most important—and often overlooked—parts of retirement planning: how to prepare financially for a longer life and the potential cost of care.

WHAT YOUR MEMBERS WILL LEARN

LONGEVITY

Why longer life expectancy is creating new financial challenges in retirement.

COST OF CARE

Why retirement assets may be a costly way to fund care and living expenses.

THE HEALTH GAP

What the “Health Gap” is and why it matters.

HOME EQUITY

How eligible homeowners can use the government-insured HECM program to pay for care.
